Traffic Control and Sign Quote Provisions

CONTRACT# 01-0B2604

BID DATE: 10/5/2016

Acknowledgement & Agreement: By appointing or listing T AND S DVBE, INC. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.

Radios: Our pilot car(s) and flaggers will be equipped with VHF and UHF 2-way radios. Our pilot cars and flaggers will be equipped with CB radios for communication with your truckers and other CB-equipped equipment.

Rental Equipment: For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff. Prime contractor is responsible for all lost stolen or damaged equipment on job site. (Includes all non-powered equipment) A daily record of items used will be provided by T and S DVBE Inc. for the prime contractor to sign off on.

Insurance: T AND S DVBE, INC. maintains insurance coverage's as required by USDOT-FHWA, Caltrans (Commercial General Liability, Commercial Auto, and Workers Comp); any additional coverage's required by the Prime Contractor can be acquired by us at the Prime Contractor's sole expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).

Mobilization: For this project our initial advance notice requirements are 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.

Inclusion of these entire quotations in Subcontract or Work Order is required either within the body of the Subcontracts/Work Orders or appendixes to and referenced within the Subcontract/Work Order. Such inclusion and/or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Working Time:

All pricing is based on consistent working weeks/days. Prices are subject to change if prime contractor contracts T AND S DVBE Inc. less than full 40 hr. Week and/or 8 hr. days. Additional Mob and or increased hourly rates will be applied.

All Payments (There will be no payment retention on traffic control)

T AND S DVBE INC. will bill every two weeks. Invoice due and payable 30 days from date of invoice. Customer agrees to pay a finance charge of 1.5% per month on all past due balances. Customer further agrees to pay reasonable attorney's fees and cost if collection is required. Venue for the purpose of this obligation shall be Lassen County, CA. T AND S DVBE Inc. will be paid within 30 days of invoicing or work shall stop until payment is made.

Should you have any questions regarding these quotations, please call our office @ 530-639-9987. Call for additional prices such as cones, barricades, barricaded follow pilot car signs, or signs/stands as needed

Acceptance of this quote is acceptance of these provisions, which shall prevail if in conflict with any other contract documents. This quote must become a binding part of any contract written in reference to it.

Price for construction area signs excludes any and all electrical work.

No retention is to be held on Traffic Control and Equipment Rental.

Traffic Control and Sign Quote Provisions

CONTRACT# 01-0B2604

BID DATE: 10/5/2016

Acknowledgement & Agreement: By appointing or listing T AND S DVBE, INC. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.

Radios: Our pilot car(s) and flaggers will be equipped with VHF and UHF 2-way radios. Our pilot cars and flaggers will be equipped with CB radios for communication with your truckers and other CB-equipped equipment.

Rental Equipment: For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff. Prime contractor is responsible for all lost stolen or damaged equipment on job site. (Includes all non-powered equipment) A daily record of items used will be provided by T and S DVBE Inc. for the prime contractor to sign off on.

Insurance: T AND S DVBE, INC. maintains insurance coverage's as required by USDOT-FHWA, Caltrans (Commercial General Liability, Commercial Auto, and Workers Comp); any additional coverage's required by the Prime Contractor can be acquired by us at the Prime Contractor's sole expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).

Mobilization: For this project our initial advance notice requirements are 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.

Inclusion of these entire quotations in Subcontract or Work Order is required either within the body of the Subcontracts/Work Orders or appendixes to and referenced within the Subcontract/Work Order. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Working Time:

All pricing is based on consistent working weeks/days. Prices are subject to change if prime contractor contracts T AND S DVBE Inc. less than full 40 hr. Week and/or 8 hr. days. Additional Mob and or increased hourly rates will be applied.

All Payments (There will be no payment retention on traffic control)

T AND S DVBE INC. will bill every two weeks. Invoice due and payable 30 days from date of invoice. Customer agrees to pay a finance charge of 1.5% per month on all past due balances. Customer further agrees to pay reasonable attorney's fees and cost if collection is required. Venue for the purpose of this obligation shall be Lassen County, CA. T AND S DVBE Inc. will be paid within 30 days of invoicing or work shall stop until payment is made.

Should you have any questions regarding these quotations, please call our office @ 530-639-9987. Call for additional prices such as cones, barricades, barricaded follow pilot car signs, or signs/stands as needed

Acceptance of this quote is acceptance of these provisions, which shall prevail if in conflict with any other contract documents. This quote must become a binding part of any contract written in reference to it.

Price for construction area signs excludes any and all electrical work.

No retention is to be held on Traffic Control and Equipment Rental.

DRILLING TERMS AND CONDITIONS

1. Unless stipulated to the contrary on the reverse hereof, the following items are to be performed or furnished by others at no cost to Jarrett Foundations Inc.
 - a. All engineering, layout, cut-off elevation, off sets, record keeping and logs.
 - b. All tests, inspections, permits, licenses, concrete mix designs and cylinder tests.
 - c. Provide acceptable ramp to working area and firm, dry, level access and suitable clearance within 20' feet of each shaft location for truck crane type of equipment without mats.
 - d. Shoring, bracing, underpinning, supporting or protecting existing structures.
 - e. Remove, relocate or protect any trees, vegetation, existing utilities or man-made or placed obstructions either above or below ground which may interfere with our drilling operations prior to start of our work in compliance with all safety requirements including current Underground Service Alert (USA) clearance.
 - f. Provide and maintain catch basins at working grade to within 100 feet of shaft location suitable to accept fluids pumped from drilled shaft excavations.
 - g. Furnishing and/or placing of anchor bolts, dowels, templates, base plates or keys and forming above and below drilling grades.
 - h. Remove and dispose of drilled spoils on a continuous basis so as not to obstruct and delay our operation.
 - i. All required P. V. C. inspection tubes and spacers securely attached and grouted on completion.
 - j. Provide storage area, traffic control, lighting, flagmen, hole covers and barricades.
 - k. Provide construction water to within 100 feet of shaft location as required.
 - l. Remove, divert, and dispose of all surface water at pier locations.
 - m. Disposal of all drilling fluids (bentonite/polymer/water) when required.
 - n. Dust control.
2. This quotation is based on performing our work in one continuous uninterrupted operation and on working an 8 hour day and a straight time work week. The premium portion of any overtime work will be billed as extra work.
3. Customary tools of the trade inherently cause ground vibrations. Subcontractor will not be responsible for damage to existing buildings, facilities, utilities or properties caused by these vibrations, nor will the subcontractor be responsible for monitoring same.
4. The removal of obstructions such as concrete, timber, wire, steel, masonry, pipelines, loose fill, etc. which interfere with the shaft installation is not included in the principal sum and the costs for removal and delays will be billed as extra work. All cost associated with hazardous materials are excluded.
5. When concrete is to be furnished and paid for by others, concrete shall be delivered to each shaft location at the time and quantity specified by us. We accept no responsibility for standby charges or plant overtime. All concrete will be placed from truck to shaft by normal chute means and placed to bottom of anchor bolts only. We accept no responsibility for overrun in concrete quantities.
6. When Jarrett Foundations Inc. has agreed to hoist reinforcing steel cages furnished by others, (in spliced lengths when applicable, minus pile extensions) they shall be attached and braced for hoisting with all required spacers attached and placed adjacent to each respective shaft location prior to the completion of drilling. Splices when required shall be performed by others. Reinforcing with hooks shall be field bent or turned in with sufficient clearance to permit casing removal when used.
7. Delays in the drilling production caused by others, extra work, and time drilling through man-made/placed obstructions will be charged at the rate of \$ 850.00 per hour each rig. Daily un-operated standby \$ 2500.00 day each rig.
8. Casing, dewatering, drilling fluids (bentonite/polymer), concrete pumps, hand cleaning, shoring of bells or coring of rock is specifically excluded and will be billed as extra work.
9. Payment is due no later than 10 days after Contractor receives payment for Jarrett Foundation's work. Final payment, including retention, shall be made within 35 days after completion of all work covered by this proposal or if a break in the continuity of the work exceeds 35 days. A service charge of 1.5% Per month will be added to all balances unpaid after 30 days.
10. Jarrett Foundations Inc. will provide insurance limited to the following amounts: Public Liability and Property Damage 1,000,000/2,000,000. Coverage in excess of these will be furnished by others at no expense to Jarrett.
11. This proposal shall be made part of any contract covering this work. If there is any conflict between the terms of this proposal and any contract agreement, The terms of this proposal shall control and supersede the terms contained in the contract.
12. Prices do not include cost of payment and/or performance bond, any as-built drawings, or indemnification of others.
13. Proposal based on Jarrett Foundations Inc. performing all work quoted. We estimate we can start 15 days after the receipt of signed subcontract, notice to proceed and materials.
14. We reserve the right to withdraw this proposal if not accepted in writing within 30 days of date hereof.
15. Any back charges charged to Jarrett Foundations Inc. must be signed for daily by job superintendent
16. Pile Anomalies are inherent to CUDH Pile Construction and Jarrett Foundations Inc. will not be held responsible for delays caused by said anomalies.

Traffic Control and Sign Quote Provisions

CONTRACT# 01-0B2604

BID DATE: 10/5/2016

Acknowledgement & Agreement: By appointing or listing T AND S DVBE, INC. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.

Radios: Our pilot car(s) and flaggers will be equipped with VHF and UHF 2-way radios. Our pilot cars and flaggers will be equipped with CB radios for communication with your truckers and other CB-equipped equipment.

Rental Equipment: For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff. Prime contractor is responsible for all lost stolen or damaged equipment on job site. (Includes all non-powered equipment) A daily record of items used will be provided by T and S DVBE Inc. for the prime contractor to sign off on.

Insurance: T AND S DVBE, INC. maintains insurance coverage's as required by USDOT-FHWA, Caltrans (Commercial General Liability, Commercial Auto, and Workers Comp); any additional coverage's required by the Prime Contractor can be acquired by us at the Prime Contractor's sole expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).

Mobilization: For this project our initial advance notice requirements are 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.

Inclusion of these entire quotations in Subcontract or Work Order is required either within the body of the Subcontracts/Work Orders or appendixes to and referenced within the Subcontract/Work Order. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Working Time:

All pricing is based on consistent working weeks/days. Prices are subject to change if prime contractor contracts T AND S DVBE Inc. less than full 40 hr. Week and/or 8 hr. days. Additional Mob and or increased hourly rates will be applied.

All Payments (There will be no payment retention on traffic control)

T AND S DVBE INC. will bill every two weeks. Invoice due and payable 30 days from date of invoice. Customer agrees to pay a finance charge of 1.5% per month on all past due balances. Customer further agrees to pay reasonable attorney's fees and cost if collection is required. Venue for the purpose of this obligation shall be Lassen County, CA. T AND S DVBE Inc. will be paid within 30 days of invoicing or work shall stop until payment is made.

Should you have any questions regarding these quotations, please call our office @ 530-639-9987. Call for additional prices such as cones, barricades, barricaded follow pilot car signs, or signs/stands as needed

Acceptance of this quote is acceptance of these provisions, which shall prevail if in conflict with any other contract documents. This quote must become a binding part of any contract written in reference to it.

Price for construction area signs excludes any and all electrical work.

No retention is to be held on Traffic Control and Equipment Rental.

DRILLING TERMS AND CONDITIONS

1. Unless stipulated to the contrary on the reverse hereof, the following items are to be performed or furnished by others at no cost to Jarrett Foundations Inc.
 - a. All engineering, layout, cut-off elevation, off sets, record keeping and logs.
 - b. All tests, inspections, permits, licenses, concrete mix designs and cylinder tests.
 - c. Provide acceptable ramp to working area and firm, dry, level access and suitable clearance within 20' feet of each shaft location for truck crane type of equipment without mats.
 - d. Shoring, bracing, underpinning, supporting or protecting existing structures.
 - e. Remove, relocate or protect any trees, vegetation, existing utilities or man-made or placed obstructions either above or below ground which may interfere with our drilling operations prior to start of our work in compliance with all safety requirements including current Underground Service Alert (USA) clearance.
 - f. Provide and maintain catch basins at working grade to within 100 feet of shaft location suitable to accept fluids pumped from drilled shaft excavations.
 - g. Furnishing and/or placing of anchor bolts, dowels, templates, base plates or keys and forming above and below drilling grades.
 - h. Remove and dispose of drilled spoils on a continuous basis so as not to obstruct and delay our operation.
 - i. All required P. V. C. inspection tubes and spacers securely attached and grouted on completion.
 - j. Provide storage area, traffic control, lighting, flagmen, hole covers and barricades.
 - k. Provide construction water to within 100 feet of shaft location as required.
 - l. Remove, divert, and dispose of all surface water at pier locations.
 - m. Disposal of all drilling fluids (bentonite/polymer/water) when required.
 - n. Dust control.
2. This quotation is based on performing our work in one continuous uninterrupted operation and on working an 8 hour day and a straight time work week. The premium portion of any overtime work will be billed as extra work.
3. Customary tools of the trade inherently cause ground vibrations. Subcontractor will not be responsible for damage to existing buildings, facilities, utilities or properties caused by these vibrations, nor will the subcontractor be responsible for monitoring same.
4. The removal of obstructions such as concrete, timber, wire, steel, masonry, pipelines, loose fill, etc. which interfere with the shaft installation is not included in the principal sum and the costs for removal and delays will be billed as extra work. All cost associated with hazardous materials are excluded.
5. When concrete is to be furnished and paid for by others, concrete shall be delivered to each shaft location at the time and quantity specified by us. We accept no responsibility for standby charges or plant overtime. All concrete will be placed from truck to shaft by normal chute means and placed to bottom of anchor bolts only. We accept no responsibility for overrun in concrete quantities.
6. When Jarrett Foundations Inc. has agreed to hoist reinforcing steel cages furnished by others, (in spliced lengths when applicable, minus pile extensions) they shall be added and braced for hoisting with all required spacers attached and placed adjacent to each respective shaft location prior to the completion of drilling. Splices when required shall be performed by others. Reinforcing with hooks shall be field bent or turned in with sufficient clearance to permit casing removal when used.
7. Delays in the drilling production caused by others, extra work, and time drilling through man-made/placed obstructions will be charged at the rate of \$ 850.00 per hour each rig. Daily un-operated standby \$ 2500.00 day each rig.
8. Casing, dewatering, drilling fluids (bentonite/polymer), concrete pumps, hand cleaning, shoring of bells or coring of rock is specifically excluded and will be billed as extra work.
9. Payment is due no later than 10 days after Contractor receives payment for Jarrett Foundation's work. Final payment, including retention, shall be made within 35 days after completion of all work covered by this proposal of if a break in the continuity of the work exceeds 35 days. A service charge of 1.5% Per month will be added to all balances unpaid after 30 days.
10. Jarrett Foundations Inc. will provide insurance limited to the following amounts: Public Liability and Property Damage 1,000,000/2,000,000. Coverage in excess of these will be furnished by others at no expense to Jarrett.
11. This proposal shall be made part of any contract covering this work. If there is any conflict between the terms of this proposal and any contract agreement, The terms of this proposal shall control and supersede the terms contained in the contract.
12. Prices do not include cost of payment and /or performance bond, any as-built drawings, or indemnification of others.
13. Proposal based on Jarrett Foundations Inc. performing all work quoted. We estimate we can start 15 days after the receipt of signed subcontract, notice to proceed and materials.
14. We reserve the right to withdraw this proposal if not accepted in writing within 30 days of date hereof.
15. Any back charges charged to Jarrett Foundations Inc. must be signed for daily by job superintendent
16. Pile Anomalies are inherent to CIDH Pile Construction and Jarrett Foundations Inc. will not be held responsible for delays caused by said anomalies.

Traffic Control and Sign Quote Provisions

CONTRACT# 01-0B2604

BID DATE: 10/5/2016

Acknowledgement & Agreement: By appointing or listing T AND S DVBE, INC. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.

Radios: Our pilot car(s) and flaggers will be equipped with VHF and UHF 2-way radios. Our pilot cars and flaggers will be equipped with CB radios for communication with your truckers and other CB-equipped equipment.

Rental Equipment: For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff. Prime contractor is responsible for all lost stolen or damaged equipment on job site. (Includes all non-powered equipment) A daily record of items used will be provided by T and S DVBE Inc. for the prime contractor to sign off on.

Insurance: T AND S DVBE, INC. maintains insurance coverage's as required by USDOT-FHWA, Caltrans (Commercial General Liability, Commercial Auto, and Workers Comp); any additional coverage's required by the Prime Contractor can be acquired by us at the Prime Contractor's sole expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).

Mobilization: For this project our initial advance notice requirements are 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.

Inclusion of these entire quotations in Subcontract or Work Order is required either within the body of the Subcontracts/Work Orders or appendixes to and referenced within the Subcontract/Work Order. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Working Time:

All pricing is based on consistent working weeks/days. Prices are subject to change if prime contractor contracts T AND S DVBE Inc. less than full 40 hr. Week and/or 8 hr. days. Additional Mob and or increased hourly rates will be applied.

All Payments (There will be no payment retention on traffic control)

T AND S DVBE INC. will bill every two weeks. Invoice due and payable 30 days from date of invoice. Customer agrees to pay a finance charge of 1.5% per month on all past due balances. Customer further agrees to pay reasonable attorney's fees and cost if collection is required. Venue for the purpose of this obligation shall be Lassen County, CA. T AND S DVBE Inc. will be paid within 30 days of invoicing or work shall stop until payment is made.

Should you have any questions regarding these quotations, please call our office @ 530-639-9987. Call for additional prices such as cones, barricades, barricaded follow pilot car signs, or signs/stands as needed

Acceptance of this quote is acceptance of these provisions, which shall prevail if in conflict with any other contract documents. This quote must become a binding part of any contract written in reference to it.

Price for construction area signs excludes any and all electrical work.

No retention is to be held on Traffic Control and Equipment Rental.

J. F. Shea Construction Inc. is a union signatory contractor. Subcontractors must possess a current contractor's license, insurance coverage and worker's compensation for the entire length of the contract. All subcontractors will be required to sign our standard Subcontract Agreement. 100% payment and performance bonds may be required. Please call if you need assistance in obtaining insurance, bonding, equipment, materials and/or supplies. Plans and specifications can be viewed at our office located at 17400 Clear Creek Road, Redding, Ca. 96001 or call for any additional needed project information. J. F. Shea Construction Inc. intends to work cooperatively with all qualified firms seeking work on this project. We are an equal opportunity employer and will work with any interested subcontractor to identify opportunities to break items into economically feasible packages. **Women and Minority Employees are encouraged to apply.**

UPS Internet Shipping: View/Print Label

1. **Ensure there are no other shipping or tracking labels attached to your package.** Select the Print button on the print dialog box that appears. Note: If your browser does not support this function select Print from the File menu to print the label.
2. **Fold the printed label at the solid line below.** Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label.
3. **GETTING YOUR SHIPMENT TO UPS**
Customers with a Daily Pickup
Your driver will pickup your shipment(s) as usual.

Customers without a Daily Pickup

Take your package to any location of The UPS Store®, UPS Access Point(TM) location, UPS Drop Box, UPS Customer Center, UPS Alliances (Office Depot® or Staples®) or Authorized Shipping Outlet near you. Items sent via UPS Return Services(SM) (including via Ground) are also accepted at Drop Boxes. To find the location nearest you, please visit the 'Find Locations' Quick link at ups.com. Schedule a same day or future day Pickup to have a UPS driver pickup all of your Internet Shipping packages.

Hand the package to any UPS driver in your area.
